To Whom it May Concern,

My name is [redacted] live a [redacted] I have become aware of the Penneco permit issuance that would e [redacted] nd that of others within the area. I am against the issuance of this permit. I believe we need to focus on the help and safety of our citizens above this project and come up with a better solution. Please put the helo of Pennsylvania citizens first. I intend on trying to make it to the Microsoft Team meeting tomorrow as well. Please so not allow this to happen to Pittsburgh and/or the surround areas drinking water.
